“Enhancing the lives and profitability of all dairy producers and enthusiasts by providing opportunities for education, marketing, recognition and comradery.”

The Minnesota Holstein Association (MHA) was organized as a nonprofit in 1910 with the purpose of improving and promoting the Holstein breed of dairy cattle. Today, our 650 member organization is open to farmers and all dairy industry enthusiasts.

As a dedicated supporter of local registered Holstein dairy farmers, you and your business have the opportunity to join and support the MHA through our Corporate Sponsor Program. Your generous donation directly funds the following membership programs:

- Annual **Breeders’ Seminars** (5 locations) at no/low cost to members
- Annual **MHA Field Day** (farm tour)
- **Young Adult Scholarships** to offset the cost of attending annual state meeting/banquet
- **Junior Membership Scholarships** to travel to the National Holstein Convention
- **State Holstein Show** including the sponsorship of professional photographers
- Quarterly **Minnesota Holstein News**
- Complimentary annual breeder’s **calendar**
- Support for dairy-related **youth** programming and activities

Included is a Corporate Sponsor Program flier, which explains the recognition for each specific level. Below is a 2025 Corporate Sponsor Agreement. Please fill out the information and return to the Minnesota Holstein Association. Make checks payable to the Minnesota Holstein Association. We greatly appreciate your support!

Sincerely,
