2021 Minnesota Junior Holstein Show

Friday, July 9, 2021 • Worthington, Minnesota. • Judge: Josh Fairbanks, Iowa

Junior Rules and Regulations

The show will begin at 8:00 a.m. on Friday, July 9, 2021.

All entries must be in place and checked in 24 hours prior to the show.

1. Exhibitors must be a minimum of nine years old to participate, but not have reached their 21st birthday by January 1 in the year competing. Members who become 21 years of age during the current year will be allowed to compete in Junior activities until December 31st of the current year and not beyond that time.

2. All junior members will show under Minnesota Junior Holstein Association rules and animals must be shown by the owner except in extreme situations and then approved by the junior show committee a week prior to the show.

3. A junior member is a boy or girl with a paid membership in the Minnesota Junior Holstein Association.

4. Any animal shown at the Minnesota State Junior Holstein Show with the immediate family's prefix does not need the exhibitors name on the paper. (Immediate family means parents and children). *This rule only applies for the MN Jr. State Show. National rules state that animals must be in the junior's name(s) by July 15 of the current year.

6. Entry blanks MUST be filled in completely as to class, birth date, name, and registration number of the animal, as well as both the sire and dam. Entry forms and fee are due June 1st.

7. Health Certificates: The State of Minnesota Board of Animal Health has made the decision not to require a brucellosis test on exhibition cattle.

8. The MN Junior State Show will start at 8:00 a.m. on July 9. The first class will be Class 22-then Class 13-J through 21-J, then Class 1-J-7-J ending with Class 23-J and Class 24-J.

9. Novice Class: Novice Calves may be from class 1-J, 2-J and 3-J. The calf may be shown in another class but the novice show person may not show in another class. Please remember to keep the size of the calf appropriate for the youth's ability. Ownership rules do not apply to novice class show person. The animals will NOT be placed and all youth will receive the same award.

10. All junior exhibitors are subject to the Code of Conduct Rules. Show people if possible should wear white pants and a white T-shirt or clean clothes.

Entry Fee...

Entry fee for the Minnesota Junior Holstein Show is \$5 per head. If you would like to participate in both the open and junior show both fees need to be paid, and you need to mark so on the entry forms. The fee is per head therefore you do not need to pay \$5 for a novice calf if the calf is already being exhibited in a different class. Checks can be made out to MJHA. Only one animal per class will be cataloged. Substitutes can be made at the show.

Reminder...

Junior Bred and Owned Class are based off the National Rules. To be eligible for Junior Bred and Owned, the name(s) listed as breeder and owner on the registration certification must be the same. Adult-Junior partnerships are not acceptable. Family unit or farm partnership will not qualify for Bred and Owned unless all partners are Junior members and listed on the certificate under breeder and owner.

Transfers...

A reminder to all juniors to get your junior state show animals transferred or registered now. Under the new rule of Holstein Association USA, the transfer application now must be received by the Holstein Association by July 15 for both cows and heifers. However, *animals shown in the Minnesota State Junior Holstein Show must be transferred into the exhibitor's name by June 1, 2021.*

- If papers are late coming, it is the exhibitor's responsibility to call

Holstein Association USA so they have the papers in hand on the day of the show.

- There will be absolutely no transfer or registration applications accepted for junior show animals and there will be no phone calls or other such inquiries made to Holstein Association USA on junior animals.
